## National Tournament Uniform Policy

*Adopted on: 06-29-2026*

---

### **Purpose:**

The purpose of this policy is to establish clear guidelines and standards regarding the uniform policy at the Stonewall Sports National Tournament.

### **Policy:**

Stonewall Sports, Inc. seeks to foster an environment of respect, body positivity, and inclusiveness. As such, we have adopted the following requirements for team uniforms during the National Tournament:

1. All players are expected to play in their Stonewall-issued tournament T-shirts on one of two tournament days, so that photographers can capture action shots and team photographs during tournament play. Sport managers will coordinate a day for all players in an individual sport to wear their Stonewall-issued tournament T-shirts; for example, kickball players may be asked to wear tournament-issued shirts on Saturday, and dodgeball players may be asked to wear tournament-issued shirts on Sunday.
2. On the alternating day (i.e., the day players and teams are not instructed to wear their Stonewall-issued tournament T-shirts), players from each team are expected to wear coordinating uniforms during game play. This may include team-designed and purchased uniforms, a second tournament shirt purchased during registration, or color-coordinating outfits. We encourage color-coordinating outfits to showcase their chapter's Stonewall shirts if possible.
3. Players are permitted to alter and decorate their shirts; however, alterations should not infringe on the Stonewall Sports or sponsorship logos.
4. Players are encouraged to use their name and pronoun boxes on Stonewall-issued shirts. Name and pronoun boxes are encouraged, but not required to be present on team uniforms. Misuse of the name and pronoun boxes may result in removal from the tournament without warning, and it will be referred to tournament leadership as a violation of our code of conduct.
5. Players at outdoor venues (e.g., kickball, bocce, and sand volleyball) must have their shirts visible and somewhere on their body when on the field to help other players, volunteers, and leaders identify them.

6. Due to venue policies, all players are required to wear their shirts when inside our indoor venues (e.g., dodgeball, indoor volleyball, bowling, and billiards).

The SSI National Tournament Officer has the authority to make exceptions to this policy in extreme circumstances, such as but not limited to, an error in t-shirt sizes/color provided by the vendor that cannot be fixed prior to the tournament or approved player substitutions after the t-shirt order is placed.

**Responsible Parties:**

The SSI National Tournament Officer is responsible for the upkeep and enforcement of the National Tournament Uniform Policy. If a question or alleged violation of this policy occurs, it should be reported to the Sport Manager, who will consult with the Tournament Sport Director and SSI National Tournament Officer for a resolution.
